ALL BIDDERS PLEASE READ

Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids, and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. **You must be satisfied. PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT** Unlimited bids are executed at an advance of 5 per cent over the next highest bid. Numbers in () are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Sales Are Conducted As Follows:

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED. No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins for each sale. Whenever this happens, we want it called to our attention to help prevent future errors.

Any coins may be inspected prior to the sale, collector to pay postage and insurance both ways.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

HOLLINBECK KAGIN COIN COMPANY

**YOU WILL WANT A PRICE LIST OF THIS SALE
TO KNOW WHAT COINS ARE BRINGING**

PRICE LIST OF SALE \$1.00

IS THIS YOUR FIRST AUCTION CATALOG?

21st EDITION (1968) GUIDE BOOK, (1965) PAPER MONEY 5th EDITION
"TRENDS" AND OTHER AUCTION RECORDS USED IN CATALOGING.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand at the time of the publication. **The estimated prices are entered only after careful examination of various records and publications which reflect the actual and not theoretical values. (PLEASE NOTE THAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER \$1, WASHINGTON QUARTERS, CURRENCY, ETC. ARE ESTIMATED AT CATALOG).** In the final analysis, you the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.50. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth, or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even though auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them, as well as any compliments.

**YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING
SUCCESSIVE CATALOGS WITHOUT INTERRUPTION**

BARGAINS

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots", yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You in Mind. If you have any suggestions, complaints, (yes we receive some now and then), we want to hear them. Having catalogued over two hundred sixty successful coin sales, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know-it-all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 8c airmail stamp to find out what we would pay for your outstanding pieces? Naturally we buy collections, too.

SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the bid sheet. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized we decided to avail this service to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

Postal regulations require Zip Codes. To continue receiving these catalogs be sure you send us this Zip Code.

These tokens were issued by the U.S. Government for the use of Matanuska Valley colonists. They were redeemable at the ARRC stores (Alaska Rural Rehabilitation Corp.). Called "Bingles," they were used only about six months, after which they were redeemed for regular U.S. money and destroyed. Each token is the size of the corresponding U.S. coin with the exception of the 1c piece which is octagonal. Listed in Guidebook page 249. ONLY 250 COMPLETE SETS WERE SAVED FOR COLLECTORS WHEN THE ISSUE WAS CALLED IN AND DESTROYED! Now, more than three decades later, who knows how many sets still survive?

Bank Note, UNIQUE, THE ONLY KNOWN SPECIMEN OF ANY 1st CHARTER ISSUE IN 2 DENOMS. \$1,750.00." Acquired from Friedberg in the 1950's, then purchased (with the balance of the collection) by a dealer who sold it to the present owner in 1963 at \$4,500; we believe this UNIQUE note will now probably exceed \$7,500 — possibly closer to	10,000.00

Acquired several years ago as "EXCESSIVELY RARE" at \$1,000; could now exceed1,500.00

\$3 NOTES

An interesting collection — some which were acquired from our 1965 sale containing a prize-winning collection. Always an attention-getter whenever displayed. Provisions were made for the \$3 in the 1862 U.S. Legal Tender issue and plates were actually made. Why they were not actually issued, has not been determined. The \$3 note (as proven by this collection) actually circulated to some degree to 1864.

TYPE SET QUARTERS

- 837. 1796 SMALL EAGLE, golden UNCIRCULATED, SHARP STRUCK,** close examination with a glass reveals the barest trace rubbing. Many of the older "uncirculated" coins come this way due to the slight friction encountered from sliding on the velvet in the old-time coin cabinets. **VERY RARE. POPULAR "ONLY YEAR OF TYPE."** Auction records exceeding low catalog value of **5,750.00**

- 838. 1806 LARGE EAGLE, golden Uncirculated,** usual soft strike with center portion not struck up (about 95% of those examined are this way) barest trace rubbing. **RARE.** Auction records exceeding low catalog value of **640.00**

| 839. | 1828 HEAD LEFT IN CAP, PERFECT BLUE AND GOLDEN PROOF! Lot 842 of Dr. Allenburger Collection and lot 1340 of Cleaneay Collection. What a pedigree! No wonder the present owner was willing to pay \$1500 for it three years ago; could now exceed | 2,500.00 |
| 840. | 1825 Over 23 (close date) same type, bluish golden Uncirculated. Popular. Could exceed catalog of | 300.00 |
| 841. | 1831 REDUCED SIZE, SMALL LETTERS, SMALL 25C., tiny close date, golden "PROOF." Acquired as a "Proof," it is a NEEDLE-SHARP STRIKE WITH WIRE EDGE BOTH SIDES, SHARP STARS AND PROOF SURFACE. However, it does not have the "depth" of proof surface of the 1828 ((lot 839). Actually, very few "proofs" produced prior to 1858 can compare in quality to those produced since then for sale to collectors. The quality (prior to 1858) varies from date to date and from coin to coin of the same date. It depended upon the time the mint personnel could spare from their regular activities and upon the importance of the "official" who requested these specially produced coins. ONLY YEAR TYPE. Acquired three years ago at | 750.00 |
| 842. | 1835 LARGE LETTERS, LARGE 25C., Larger Date (type issued 1831-1838) GOLDEN PROOF. Similar to above except it has more "depth" to the proof surface. Acquired three years ago at \$650; could now exceed | 850.00 |
| 843. | 1838 LIBERTY SEATED, NO DRAPERY, bluish UNCIRCULATED, SHARP STRIKE, RAISED BORDER. Popular "type" coin. Scarce date. RARE SO CHOICE! | 250.00 |
| 844. | 1845 DRAPERY FROM ELBOW, GLITTERING PURPLE PROOF; A GEM SPECIMEN! AN OUTSTANDING RARITY IN THIS REMARKABLE CONDITION! Acquired about three years ago at \$750; could now exceed | 1,250.00 |
| 845. | 1853 RAYS & ARROWS (only year) bluish Uncirculated, faint rubbing. Cat. | 75.00 |
| 846. | 1854 ARROWS ONLY, BRILLIANT slightly golden UNCIRCULATED GEM WITH WIRE EDGE, some Prooflike surface! A "type" coin easily worth | 150.00 |
| 847. | 1856 PLAIN DATE, No Motto, bluish UNCIRCULATED with WIRE EDGE. | 65.00 |
| 848. | 1858 GLITTERING BLUE PROOF. OF THE 80 SAID TO HAVE BEEN STRUCK, WE DOUBT IF HALF ARE STILL IN EXISTENCE. THE RAREST PROOF QUARTER 1858-1915! We have seen fewer proof specimens of the 25c of this date than we have of the \$1 which catalogs \$2,000; surely this rarity worth at least | 500.00 |
| 849. | 1873 MOTTO, No Arrows, GLITTERING BLUISH GOLDEN PROOF. Only 600 struck! | 125.00 |
| 850. | 1873 ARROWS at date, golden UNCIRCULATED with RAISED EDGE. Popular.. | 200.00 |
| 851. | 1892 LIBERTY HEAD, Brilliant slightly golden UNCIRCULATED with RAISED EDGE, pinpoint edge nick. A premium specimen worth over catalog of | 35.00 |
| 852. | 1917 LIBERTY STANDING, Type I, Brilliant Uncirculated FULL HEAD GEM. | 60.00 |

GOLD QUARTER EAGLES (\$21½)

The increased interest in this series is reflected in the new Guidebook just released. In checking the prices paid for some of the specimens acquired several years ago, we are tempted to repeat B. Max Mehl's saying "These should give dividends to the new owners (as they did to the present owner) both in pleasure and increase valuation."

1141. 1798 Lot 1650 of Jan., 1962 F.U.N Florida Convention Sale described "**1798 13 STARS (6 left — 7 right)** and 13 STARS Reverse, the **EXCEEDINGLY RARE 5 BERRY** Reverse Die. The Standard Catalog of U.S. Coins has a separate listing for the "ordinary" 4 berry reverse and one for the **EXCEEDINGLY RARE 5 BERRY** Reverse (the Guidebook lists the 4 berry and 5 berry 1805 dimes — then why doesn't it list this? Guidebook editor please take note). The Standard Catalog doesn't even price the 5 berry reverse but only has "EX. RARE" (checked around and was told only "about 5 or 6 are known" — about the same number known as the 1841 \$2½). I saw an 1841 in extremely fine condition recently advertised for \$15,000. Couldn't find any recent record for this though. The "ordinary 1798 is VERY RARE and is listed in the Guidebook for only \$800.00. less than the 1796. Then how much more is this **EXCEEDINGLY RARE 5 BERRY** Reverse worth? \$7,500.00, or the same as the 1841, \$15,000.00. This is **UNCIRCULATED WITH PROOF SURFACE. What more can you want in a coin? Rarity and condition.**" The present owner paid \$6,000.00 for this coin at that sale, over five years ago. Present value?

1142. 1802 Stars changed to 8x5, Uncirculated, faint rub on top curl. Popular for "type." **RARE. Catalogs**2,250.00
